**Subject:** Quarterly Coordination Meeting Notes and Potential Date for Rescheduling the Next Meeting

Hi

I hope everyone had a nice Thanksgiving.

Please find attached the draft meeting notes from our last meeting, as well as the meeting sign in sheet and the Navy presentation. If you could forward any comments or additions to that you may have on the notes to Jim and me that would be appreciated.

Unfortunately, the date we had selected for the next meeting (January 20<sup>th</sup>) is not going to work out. I suggest that we try to meet the following week on January 28<sup>th</sup> from 10:30 to 1:30 in room 27B. Can you please let me know whether that date would work for you? I am hoping that each organization can be represented on the 28<sup>th</sup>, but if that date does not work we will look at dates the following week.

Thank you

Doug
